

Join us

in creating a quilt
that will celebrate
Bunyan Meeting's
350th anniversary.

We are inviting you to **create your own unique square** that shares your experiences of Bunyan Meeting as a place of creativity, heritage, and faith.

We will provide packs of materials for you to produce your own piece. Finished pieces will be sewn together and displayed for everyone to enjoy, to mark our anniversary and as a lasting reminder for future generations.

You don't need to be amazing with a needle—use fabric pens or create a fabric collage!

We will be running free workshops **11am—3pm on Saturday 30th July and 20th August, drop-in**

You can pick up packs from the Church Office, Bunyan Meeting (finished work can be dropped off here)
